Date: _____

_____ has been referred by Dr. _____

For an appointment with the following Neurosurgeon: Dr. Angel Dr. Kubala Dr. Lo Dr. Silva

Date: _____ Time: _____ am pm

Note appointment time may be subject to change due to unexpected emergency surgery schedules

Check list of items to bring with you for your appointment:

- New patient forms (enclosed) **completed** using black ink (this will expedite your first visit with us)
- Drivers license or photo id
- Insurance cards (be aware that the co pay and services for a specialist differ from those of your PCP)
- Copies of reports and actual films or CD for MRI, CT and x-rays that have been performed relating to the reason for your office visit (if your study was performed at Christus St E, we will be able to access those by computer at our office while studies performed elsewhere require you to pick up and bring on the day of your appointment)

*****it is imperative that your films are at our office the day of your appointment as they play an integral part of the decisions made by the Neurosurgeon in your treatment plan of care, your appointment may be rescheduled if they are not available for your appointment, if unsure whether you need to pick them up, please call our office @ 898-7800 to verify prior to your appointment*****

We look forward to meeting you.
